

We've Rebranded!

To all our valued customers and patients, we are *excited* to announce that we have renamed Upper Thornhill Eye Clinic to **Foresee Eyecare**. Rest assured we are the same dedicated team of doctors and staff, but have expanded and renovated our office! We invite you to schedule an appointment to see the new office (www.foresee-eyecare.com; foresee.eyecare@gmail.com) as we continue to provide our patients with the latest eyecare services, highest quality eyewear and lenses, and state of the art equipment. We truly believe you will find **Foresee Eyecare** to be quite an appropriate and fitting name and look forward to welcoming you!
